Re: U.S. EPA @ Sweet Kleen Site, Buffalo, NY - Non-Haz Waste Classification

Dear Approvals Department:

The U.S. EPA Region 2 is currently performing a removal action at the Sweet Kleen Laundry site, located at 764 Kensington Avenue, Buffalo, New York. The removal action is being funded and performed under the authority of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), commonly known as "Superfund".

This letter certifies that the soil contaminated with trace concentrations of tetrachloroethylene from the site is not a RCRA hazardous waste.

If you have any questions or require additional information, please contact me at (908) 420-4478.

Sincerely yours,

Kevin M. Matheis,
On Scene Coordinator
U.S. EPA Region 2
Emergency and Remedial Response Division
Removal Action Branch
